

Minutes of the Vercor R2 Committee of 27.11.2020 (via Zoom videoconference)

1. Benefits booklet (discount vouchers)

We have essentially retained 3 priority services for which to ask for either a free access, or access at a reduced price:

- a. Access for children to the Creux de Lavioz facilities
- b. Tickets for take the cable-car to the Crêt du Midi in summer and winter (particularly interesting for pedestrians)
- c. Access to the swimming pools of Grône, Géronde and of Sierre

It seems important to us that the benefits are well targeted and attractive at this initial stage. We are also aware that we are in a process that requires adjustments at regular intervals.

2. Tourism Vercorin SA

Michel Minnig joined the Board of Directors as a guest member until he is elected at the Shareholders' Meeting. The list of candidates for the directorship will be closed on 15.12.2020. The company chosen for the work in the Creux de Lavioz will present a detailed project in January.

3. AGM of February 20th

The date of February 20th has been chosen and in case of COVID, we will be able to organize it by Zoom (our subscription allows meetings up to 100 people...thank you Michka).

4. Miscellaneous

- a. The meeting with the new Municipal Authorities, which will take office on 1.1.2020, will take place next year. I had an exchange with the new President of the Municipality, Mrs. Sylvie Masserey Anselin, who “hopes that our Municipality will intensify its commitment to sustainable development and better energy efficiency. I am looking forward to meeting you and discussing this in person. I will come back to you as soon as I take office.”
- b. Concerning organic waste (garden waste). Mr. Alain Perruchoud, the outgoing President of the Municipality, has informed me that "the Municipal Council has the firm intention of maintaining a disposal site in Vercorin for this type of waste. For other waste, it will be difficult to find a local solution".
- c. The next VercorR2 committee meeting will take place on **Saturday, January 2nd 2021 at 4 p.m.**, most likely in person, in the **salle bourgeoisiale on the 2nd floor** in the center of the village.

Cordially and happy end of year holidays.

Andreas
